Define Food's menu takes influence from our multicultural nation, from street food stalls on Gurney Drive to fine dining establishments in the heart of KL. Chef Malcolm leads the kitchen using a combination of classic and modern cooking techniques, to showcase and enhance natural flavours while bringing the best out of the freshest, high quality ingredients. "We're stripping away the fancy gimmicks – like the accuracy of where an asparagus tip should be, or where sauce should be pulled on a plate – and offering authentic flavour on a plate with minimum fuss. Allow the taste to do the impressing," says Chef Malcolm.
